

HUNAH Adoption Application Form

Please take a few minutes to fill out this application form. Because it is very important that each dog be matched with the right home we need to know some background information about you and your living situation.

Be sure to contact all of your references and let them know that we will be calling and asking questions about your ability to care for the dog in question. To speed up the process please ensure that they have access to a phone and that the number is correct.

Once your application has been reviewed and approved we can set up a “meet and greet” with the dog(s) of your choice.

If you do not hear back from us within two working days (M-F) please telephone 541-647-4080 or email us at hunahapps@gmail.com to make sure that we got your application OK.
